Tokoriki Island Resort welcomes first Guests in new Sunset Pool Villas

Tokoriki Island Resort welcomed their first Guests to the new Sunset Pool Villas on the 6th of May. Mr and Mrs Giglio were lucky enough to be the first to enjoy the new rooms which were converted from existing Deluxe Beach Bures.

'We are very excited to be welcoming our first Guests and although the project took longer than expected the rooms are beautifully finished and complement the existing Sunset Pool Villas', said General Manager Andrew Travers. "The additional room inventory now available for this room type, will also assist in meeting the demand for these popular rooms."

The new rooms maintain the characteristics of the original Sunset Pool Villas and feature a private plunge pool and cabana along with a separate living area. The additional Villas provide the Resort with a new total of 8 Sunset Pool Villas available for sale and were built after demand far outstripped total inventory for this category. A tour of the new Sunset Pool Villas is available on the Resort's Youtube Channel: www.youtube.com/watch?v=jzjim4P3yxE.
