Planning your stay:

We recommend you stay at least four nights to really experience the Resort. This allows you to rest and relax before the wedding. We arrange weddings every day of the week except Sundays and wedding dates are confirmed subject to availability. The Methodist Minister from our local village will officiate the wedding unless a Marriage Celebrant is requested. Marriage Celebrants can only officiate on Saturdays and Sundays.

Group sizes and accommodation:

Tokoriki Island Resort is a romantic retreat for couples. To maintain our romantic atmosphere we limit the size of wedding groups to a maximum of 20 people. If more than 10 Bures or Villas are required to accommodate a wedding group we will suggest an Island charter so that you have the luxury and privacy of enjoying the Resort with your Guests. With an Island charter we can accommodate up to 70 people.

Registration:

While in Nadi it is a requirement that Couples go to the local registry office to obtain a wedding licence prior to arriving at the Resort. The District Office is open weekdays from 9:00am-4:00 pm (excluding Public Holidays). A Wedding in Fiji can take place as soon as the marriage licence is issued and is internationally recognized and legally binding. Requirements for a wedding licence include **ALL** of the following:

1. Original or certified copy of birth certificates; passports, Decree Absolute documents if divorced; Death Certificate if previous spouse has died; Deed Pole Documents if either party has changed their name; consent of the father if under the age of 21 years for both parties or mother if father is deceased.
2. Confirmatory letter on current marital status or "single status certificate" is required for all countries including Australia and New Zealand. A statutory declaration signed by a Justice of Peace or Notary Public or Solicitor to prove that he/she is currently single will also suffice. Valid marriage ages in Fiji are 16 years and above for female and 18 years and above for male. As required by the District Office, applications from Asian nationals such as China, Philippines, Pakistan, Korea, and India must apply one (1) month in advance for their marriage licence.

Wedding Service Locations:

Tokoriki Island Resort offers a variety of locations for wedding ceremonies to ensure a unique and memorable event. As we take just one booking per day, wedding locations can be finalized upon your arrival at the Resort.

Locations include:

One of the most popular venues is Tokoriki's 'famous' *Coconut Tree*, an ideal location with the sand between your toes on your special day. We set up the beach area with a floral Bridal Canopy specially created by our staff featuring fresh flowers from the Resort's gardens and orchid nursery. *(Ideal for parties of up to 40)*

The deck area surrounding our horizon edge pool is also available for weddings and is a picturesque spot for sunset cocktails prior to the wedding reception. *(Ideal for parties of up to 40)*

Tokoriki Island Resort's Fijian style Chapel complete with high ceilings and traditional stained glass window feature is perfect for the wedding party requiring a more traditional location with a Fijian setting. *(Ideal for parties of up to 70)*

Of course, you can also be married on the deck or the beach of your own Villa. *(Ideal for small intimate parties)*
